Boater Alert

Beginning 06-01-2015, the Town of Campbell Police Department will be issuing \$35.00 parking citations to boaters using or THAT HAVE USED our launch sites and:

- Submit envelopes that are not legible.
- Failed to CORRECTLY complete ALL OF THE INFORMATION on their boat launch envelope/tag.
- Failed to pay proper amount (\$3.00 Town Residents, **\$5.00 for NON - RESIDENTS**)
- PREVIOUS USERS that have not complied and/or failed to pay proper amount.
- Failure to display or improper display of envelope tag for police personnel conducting checks.
- Failure to Pay.
- Issued citations must be contested in Onalaska Municipal Court.
- To seek a court or trial date, contact the Onalaska Municipal Court, City Hall Onalaska Wi.

We strongly recommend an annual permit if you are going to launch your boat more than 3 times this summer. Please make sure you place your annual permit as instructed. Improper display of the annual permit can result in a parking citation as well.

The Boat Launch sites are provided for your enjoyment. All funds collected are used to maintain and improve the launch sites and failure to pay will ultimately effect everyone's ability to use our waterways.
