Acting Chairperson Joe Weitekamp called the meeting to order at 6:00 p.m. Since the minutes from the July 7, 2015 meeting were not completed, they will be approved at the next meeting.

The only item on the agenda was: Adam Etrheim, Shenanigans, request for a sign permit variance.

He stated that he had been previously approved for a variance for two large "paintball" signs. He is not planning on installing those signs.

There was some discussion about the construction and location of the wing walls.

Steve Hockenbery made a motion to approve the sign permit variance, seconded by Jacob Burch. Motion carried 6-0.

Helen Vitale made a motion to adjourn. Terry Schaller seconded the motion. The motion carried 6-0.
