PROPERTY LINES

The exact location of the property lines is not determined by the Town. It is the responsibility of the property owner to locate the lot lines. Property lines are often marked with metal stakes at the corners that become buried over time. Metal detectors may be helpful in locating these markers and identifying property lines. A private surveyor may be needed if necessary.

NOTICE REGARDING RECORDED EASEMENTS

You are responsible for contacting the utility companies regarding easements on your property. The Town of Campbell shall not be held responsible for any fences constructed on a utility easement.
